

Keystone Little League
501(C)3 Organization

Dear Keystone Little League Community Member,

Thank you for your interest in partnering with us! Donating to Keystone Little League is a positive way to promote your business and support the children and families in your local community. We would love to proudly feature your business as a sponsor of our league. Over the years, Keystone Little League has gained a remarkable reputation within our community. Our dedication to excellence has been exemplified by several All Star teams winning the state of Florida championship. Notably, our 2023 Intermediate team achieved an incredible feat by winning the US Championship at the Little League World Series. These achievements have not only brought pride to our league but have also showcased the talent and commitment of the young athletes in our community.

To continue nurturing the growth and success of our league, we are seeking partnerships with great local businesses like yours. We offer a range of sponsorship packages, starting from \$500 and going up to \$2,500 - please find those attached. These packages provide an opportunity for your organization to gain visibility and exposure among our enthusiastic baseball and softball community.

Keystone Little League is proud to serve over 600 baseball and softball families in the local Westchase and surrounding areas. Our league is dedicated to providing a safe and nurturing environment for children aged 4 to 16 to learn and enjoy the games of baseball and softball. We are an inclusive community and also offer a Challenger Division, specific to individuals with special needs. These families, as well as families from other local leagues who play our teams, are at our park at least twice a week. Additionally, Keystone proudly hosts baseball and softball tournaments, as well as camps and clinics for local athletes. This means that, as a community partner, your business will get maximum exposure.

Moreover, we are open to custom sponsorships that can be tailored to meet your specific goals and objectives. As we strive to build strong partnerships within our local community, we believe that collaborating with your organization would not only benefit Keystone Little League but also provide your company with an excellent platform to enhance its brand recognition and community engagement.

By becoming a sponsor of Keystone Little League, you will not only be supporting the development of young athletes but also investing in the future of our community. Your contribution will help us improve our fields and facilities, provide equipment and uniforms, and organize events that promote sportsmanship and team spirit. This season, we are specifically working towards the purchase of a variety of pitching machines for several different divisions, a new entrance sign, a concrete barrier to prevent flooding of our batting cages and a refurbished bullpen for our primary softball field. Long term goals include adding artificial turf to a few fields and installing steel roofing over a set of batting cages so that kids can hit when the Florida weather doesn't cooperate.

Together, we can create a lasting impact on the lives of our young players and foster a sense of pride and unity within our community.

Thank you for your time and consideration. We look forward to discussing this opportunity further and exploring how we can collaborate to make a difference. Please do not hesitate to reach out to us with any questions or to request additional information.

Sincerely,

Keystone Little League Fundraising Team
